FOR IMMEDIATE RELEASE

Jagged Peak Expands Online Retail Store Offering Through AcroBoo Commerce

AcroBoo Commerce plans to launch 100 retail web properties by end of 2009

Wednesday, June 03, 2009- TAMPA, FLORIDA- Jagged Peak, Inc. (OTC BB: JGPK), a leading direct commerce solutions provider that enables manufacturers to establish a consumer direct sales channel announced the launch of a series of retail web properties through its subsidiary company, AcroBoo Commerce. AcroBoo plans to open 100 online stores by the end of 2009.

Since January, AcroBoo has launched more than forty retail web properties focusing on product niches ranging from sunglasses to outdoor apparel to mechanical tools. The online stores each share the name "JTR" to offer "Just the Right" specialized products to cater to the desires of product enthusiasts.

About AcroBoo

In addition to online retailing, AcroBoo provides services for e-channel development, search engine marketing, and online brand protection. Manufacturers and distributors can expand their sales channel by selling their brand name products through AcroBoo's retail web properties or by establishing their own custom branded online retail store. For more information, visit www.acroboo.com.

About Jagged Peak

Since 2001, Jagged Peak has provided solutions to help manufacturers optimize their demand and supply chains including software and services that enable them to establish a consumer direct sales channel. The company's flagship product, EDGE (E-business Dynamic Global Engine), is a comprehensive software platform that manages the life cycle of an order from capture through delivery execution.
